Firearms Training Affidavit

The purpose of this Firearms Training Affidavit is to determine if the applicant is eligible to possess a firearm and participate in firearms training in accordance with the Federal Firearms Law 18 U.S.C. 922, the Gun Control Act of 1967 and the Omnibus Consolidated Appropriations Act of 1997. Amendments to the Gun Control Act of 1968 make it unlawful for any person convicted of a "misdemeanor crime of domestic violence" to ship, transport, possess, or receive firearms or ammunition. The amendments also make it unlawful for any person to sell or otherwise dispose of a firearm or ammunition to any person knowing, or having reasonable cause to believe, that the recipient has been convicted of such a misdemeanor. The new prohibitions apply to all people, including law enforcement officers.

To be certified by the Criminal Justice Standards and Training Commission, a recruit must demonstrate proficiency skills in criminal justice weapons. This proficiency must be demonstrated by each recruit during his/her basic training weapons course. The course requires the recruit to demonstrate proficiency in the use of a service handgun and shotgun. Under the Federal Gun Control Act, someone is prohibited from buying and possessing a firearm if (s)he

- is either under direct indictment or has been convicted for a crime punishable by imprisonment for more than one year.
- is a fugitive from justice.

I understand that a person who answers "YES" to any of the questions is prohibited from purchasing and possessing a firearm. I also understand that making any false oral or written statement in response to the above questions is a crime punishable as a felony. I also understand that a person who answers YES" to any of the questions cannot be admitted to the Law Enforcement or Correctional Officer training programs because (s)he cannot possess a firearm which is a requirement of the program curriculum.

43. Are you under indictment or information in any court for a crime for which the judge could imprison you for more than one year? An information is a formal accusation of a crime made by a prosecuting attorney (ie.; the State Attorney's Office, U.S. Attorney's Office).

This includes all misdemeanors that involve the use of or attempted use of physical force (e.g., simple assault, assault, assault and battery), of the offense is committed by one of the defined parties.

A person is not considered to have been "convicted for purposes of the Federal Law if the conviction has been expunged or set aside or is an offense for which the person has been pardoned or has civil rights restored, unless, the pardon, expungement or restoration of civil rights expressly provides that the person may not ship, transport, possess/receive firearms.

RESIDENCE CLASSIFICATION (Please read carefully)

A florida "resident for tuition purposes" is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residence in Florida for at least 12 consecutive months. Residence in Florida must be for the purpose of establishing a permanent home? and not merely incident to enrollment at an institution of higher education. Other persons not meeting the twelve-month legal residence requirements may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida legislature. All other persons are ineligible for classification as a Florida "resident for tuition purpose,".

To qualify as a Florida resident for tuition purposes you must be a U.S. citizen, permanent resident alien, or a legal alien granted indefinite stay by the Bureau of Citizenship and Immigration Services. Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents. Documents supporting the establishment of legal residence must be dated, issued, or filed 12 months before the first day of classes for the term for which a Florida resident classification is sought. A copy of your most recent tax return or other documentation may be requested to establish dependence/independence.

DEFINITIONS: (A) DEPENDENT: A person for whom 50% or more of his/her support is provided by another as defined by the Internal Revenue Service and is under age 24.
(B) INDEPENDENT: A person who provides more than 50% of his/her own support. is 24 and older.

I understand that I do not qualify as a Florida resident for tuition purposes for the term which this application is submitted and that if I should qualify for a future term, it will be necessary for me to file the required documentation prior to the beginning of the term in order to be considered for Florida residency classification.
